

Make the Most of your North Star Plan

Lower costs. Preferred care. More value from your coverage.

Save More When You Choose Northern Light Health

- All Northern Light Health facilities and providers are in your plan's **preferred tier**.
- Using Northern Light Health **gives you extra savings, lowering your out-of-pocket costs** compared to other Community Health Options plans.

Special Rates on Many Services

- You save on select Northern Light Health services with coinsurance after your deductible. This may help **reduce what you pay for care**.
- Learn more about covered and discounted services by visiting the provider directory in your Member portal, or by calling Member Services.

Your Network Options

You also have access to Community Health Options **broad New England Network**, including **Centers of Excellence in Massachusetts** for specialized care.

For full benefit details, see your plan documents.
